NEIGHBORS TEACHING NEIGHBORS — BUILDING MORE SELF-RELIANT LIFESTYLES

Event Title:

The 2013 Adirondack Rural Skills & Homesteading Festival

Description:

This celebration of rural skills will showcase the talents of a bygone era with a distinctly Adirondack flair. Exhibitions will include logging and farming with draft horses sponsored by the Paul Smith's Draft Horse Club, and a demonstration of competitive lumberjack sports by the Paul Smith's Woodsmen's Team. Workshops will appeal to a wide range of interests and include topics such as canning, cider making, woodworking, renewable energy, cordwood construction, small-scale farming, heating with firewood and primitive skills.
