Paul Smiths College VIC

Learn to sew a curved seam in constructing a Drunkard's Path quilt block. Then use this simple block to design an eye-catching quilt. Your finished quilt will look stunning in jewel tone or Batik fabrics as well as more traditional patterns. Use your quilt as a wall hanging or table topper, or sew more blocks for a larger size quilt.

Supply List:

- sewing machine, electrical cords, foot pedal, machine manual
- electrical power strip and heavy duty extension cord
- quarter-inch sewing machine foot
- machine needles, straight pins
- fabric scissors, small fabric scissors, seam ripper
- thread (beige or gray for piecing, or a coordinating color)
- rotary cutter, cutting mat, ruler
- there will be one regular sized ironing station available at the class
- free motion quilting foot or walking foot (if you have time to quilt your project)

Project: Quilt

- Finished size – 7” blocks (16 blocks) – 28” x 28” quilt
- Fabric:
 - ✓ For a two-color quilt, ½ yard of each color
 - ✓ For a multicolor quilt, several different colors in ¼ yard or fat quarter sizes
- Needed to finish your quilt:
 - ✓ 1 yard backing fabric
 - ✓ 1 yard batting
 - ✓ ½ yard for binding

Note: If you choose to make a larger quilt, bring more fabric.
